## Building 3's Carol

Carl was born across the state line in Murphy, NC. Her full name is Patricia Carol, but she prefers to go by Carol. After graduating high school, she attended beauty school in Gastonia, GA, where her two sisters lived. One evening at her sister's house, she met a boy named Newton Miller from Blairsville, whom she married when she was just 19. Their first son was born just nine months and nine days after their wedding, followed by a second son four years later, and then a third son in the years that followed.

While raising her three boys, Carol continued working as a hairstylist, a job she loved, and she often remarked that they "had a ball." She and her coworkers even won a cruise to the Bahamas, which became a cherished tradition. However, Carol faced profound sorrow when her son passed away from pancreatic cancer at the age of 58.

She enjoyed a wonderful marriage with her husband for 58 years and feels blessed to be a grandmother to

eight grandchildren and nine great-grandchildren.

Carol made a wise investment in her land, which she sold to Home Depot. The proceeds allowed her to purchase long-term care insurance for her later years. This planning enabled her to move to Stonehenge just a month ago after being diagnosed with Alzheimer's disease.

Carl reflects on her life as beautiful, filled with love and blessings. She appreciates the freedom of living at Stonehenge and enjoys making new
