*Live Music by Bob & Jean

*Live Music by Bruce Park

*Scenic Bus Ride

*American Legion Visit

*Weekly Craft w/ Janis and Mary

*Weekly Bible Studies

*Weekly Pet Therapy Visits

Stone 5: Kathy's Journey

This month, we are excited to shine the spotlight on Kathy and share a little more about her life, memories, and experiences with our Stonehenge family.

Kathy was born in Cambridge, Massachusetts, and grew up with seven siblings. She later moved to Billerica, Massachusetts, where she enjoyed a fun and memorable childhood. One of her favorite childhood Christmas memories involved a special tradition created by her father. He would go out and get a Christmas tree, plant it in the snow, and then send Kathy and her siblings outside to find it. It was a simple tradition, but one that created lasting memories for the whole family.

Today, Kathy is a proud mother of two children and grandmother of two grandchildren. Throughout her career, she worked as a disaster planner, a role that reflected her ability to prepare, organize, and think ahead.

When asked about her proudest accomplishment, Kathy shared a very special moment: her son telling her that he is proud of how much she has accomplished on her own. Those words are a meaningful reminder of the strength and independence she has shown throughout her life.

Life at Stonehenge

Kathy's typical day at Stonehenge begins with getting up, taking her dog for a walk, and enjoying breakfast. She loves participating in the many events and activities offered at Stonehenge and enjoys being involved in the community.

Kathy came to Stonehenge after her children decided that it would be a good place for her. Since becoming part of our community, she has developed meaningful friendships and connections. She considers Joan A. and Rita from Building 5 to be two of her best friends.

Kathy says she feels connected at Stonehenge and especially appreciates the people who surround her. She also stays close to her family by keeping in touch with them through regular phone calls.

A Message to Her Fellow Residents

One thing Kathy hopes to encourage other residents to do is get out, participate, and try more activities. She believes that getting involved is a wonderful way to meet people, make friends, and enjoy everything Stonehenge has to offer.
